THIS IS EHS!

This book contains the people that made Eastside happen this year. This new decade started off right with these fads and fashions. Downfilled vests, Levi's, hiking boots and cowboy hats were all part of EHS. Along with these physical changes, the administration was changed. The students grew accustomed to the different ways of the new principal, Mrs. Peggy Cowen and assistant principal, Mr. Rex Bolinger. Mrs. Cowen made many changes during the year, one of which was to install a Lance candy machine for the students' use. Ping-pong tables and chess and checker boards were installed in the lunch room for more enjoyment.

So come with us through the pages of this yearbook and see how EHS began the new decade!

Harvey	Himself

Ruth Kelly has a lovers' quarrel with Dr. Sanderson.

On November 9 and 10, the Drama department, directed by Miss Humbles, presented Mary Chase's light-hearted comedy, "Harvey". The story revolves around Elwood P. Dowd and his very special friend, Harvey. Harvey is a six-foot rabbit. Veta Simmons and Myrtle Mae Simmons, Elwood's sister and niece, try to get Elwood committed to an insane asylum called "Chumley's Rest" managed by two doctors, Dr. Sanderson and Dr. Chumley. Veta succeeds and gets Elwood to agree to take a shot so he won't see Harvey anymore. Fortunately, E.J. Lofgen saves the day and convinces Veta to stop the injection.

Elwood admires his most prized possession.

Judge Gaffney and the doctors have a heated argument.

Elwood tries to convince the hospital personnel of Harvey.

The Varsity Football team started the season off hoping to end a 25 game losing streak. In the fifth game of the season the Blazers held Churubusco scoreless as Dennis Shultz ran for a touchdown, and Chuck Barkley kicked the extra point. After their first win, the Blazers were awarded the Team of the Week trophy from WMEE. The Blazers then went on to win the homecoming game against Hamilton, 14-0. Dave Bishir, Jeff Myers and Steve Lechleidner were members of the ACAC Honorable Mention Team. Chris Wood was named the Most Valuable Player for the Blazers.

The Lady Blazers started the season under first-year coach Sharon Sweet, with no returning lettermen, and little varsity experience. The girls finished with a record of 2-16. Their two wins came against a tough Angola team and arch-rival DeKalb. The Lady Blazers were led in both games by tough serving. In the Angola game Kathy Ray set the pace by serving fifteen straight points. In the DeKalb game, Kandy Kaser showed why she was voted MVP of the team by powerful serving and fantastic defensive play. In the ACAC Tourney the Lady Blazers played one of the most exciting games of the tourney. The girls played Southern Wells and showed great improvement from the first time they played them.

GRAPPLERS END SEASON

Gilbert Ortiz struggles for a pin.

The Eastside grapplers completed a fine season with an 8-3-1 record. The season contained several high points for the Blazers. The eight victories represented a single season high for the wrestling program. For the second consecutive year Eastside captured the Central Noble Wrestling Invitational. The Blazers placed third this year in the ACAC and took fourth in the Tourney. In losing three matches this season, Eastside gave conference-power Carroll all they wanted in losing, 39-20, and dropped a spine-tingling 35-31 afternoon convocation at Garrett.

Some outstanding individual performances were turned in this season. Brad Kaiser won the sectional championship at 119 pounds. Chris Wood, Jacob Young, Mike Damron and Eugene Evans, along with Brad Kaiser, all advanced to the regionals at Ft. Wayne. Chris Wood placed fourth at the regional level winning his match in the opening round.

Seniors Chris Wood, Jacob Young and Lee Blaine will be sorely missed next year. Twenty Four wrestlers will return next season to lead the Big Green in our first season in the N.E.C.C.

BLAZERS DERAIL GARRETT!

The Varsity basketball team could be called "The Revengers" after losing soundly to DeKalb, Carroll, and Garrett, to come back and beat both Carroll and Garrett. Garrett, who was the Sectional favorite, was defeated in double-overtime 57-44. The Blazers gave DeKalb a run for their money in Sectional, but lost the heartbreaker 42-52. The Blazers also lead the area in free-throw percentage with a remarkable 84%. Senior Gary Rinard was bestowed with the honors of All-ACAC and All Area. The Blazers look forward to next year when they will enter the NECC.

RECEIVE AWARDS AT SUMMER CAMP

The cheerleaders were a very active group this year. The Varsity squad attended cheerleading camp this summer in Wawasee, Ind. at Smith Walbridge, and the Reserves at ICF at Ball State. The Varsity received the spirit stick and the "Excellence Award", while the Reserves were chosen for the "Sparkle Award". The Varsity cheerleaders received first place at a one-day clinic in November and the Reserves won first place in a contest at the Hicksville County Fair.

At Homecoming, the cheerleaders released 300 green, gold and white balloons at the kick-off of the EHS-Hamilton game.

During basketball season, they sold spirit-chain links to help boost the Blazers. The cheerleaders also sponsored a one-day clinic during this season, which attracted 150 cheerleaders from Northern Indiana. This clinic was won by Garrett.

The cheerleaders felt the year was successful and wish the best to the Seniors — Brenda, Cubby and Sharon.

SETS NEW RECORDS

The 1980 Blazer baseball team enjoyed Eastside's best season ever, posting a 15-10 record, breaking the old record of 13 set by the 1971, 1975, and the 1979 baseball teams. Not only does this Blazer team own the most wins record, but they also captured seven other team records including: most runs per season (141), highest team batting average (.311), and the most home runs per season (17) shattering the old record of 9 set in 1971.

Three players were chosen to the ACAC All-Conference 1st team. Gary Rinard was chosen as shortstop for the second straight year, Wes Hantz in centerfield, and Roger Voirol behind the plate. Rinard was also honored by being chosen to the Journal-Gazzette All-Area Baseball Team as the 1st team shortstop.

Congratulations goes to the 1980 baseball team for all their achievements, hard fought for and well deserved.

VARSITY SINGERS

Have you ever wanted to get involved in Varsity Singers? An interview was conducted with Mr. Rob Pfiester and he said that he looks for three things when picking a Varsity Singer. Talent, sight reading, and then an audition was how all 24 members were elected. The Varsity Singers were very busy this year. They sold candles, held many discos and sang in several contests. They also entertained local people by singing at the Big Run Church, DeKalb Soil Conservation Club, Butler Chamber of Commerce, Wawasee Lakeside Chapel, and the Saint Mary's Catholic Church in Edgerton.

BOYS' AND GIRLS' STATE

SITTING: Lee Blaine — Representative, Julie Armstrong — Representative, Jeff Myers — Representative. STANDING: Chris Wood — Alternate, Coleen Van Zile — Alternate, Jim Dove — Alternate.

This year Jeff Myers and Lee Blaine were chosen by the American Legion Post 202 to attend Hoosier Boys' State held on the campus of Indiana State University at Terre Haute.

Hoosier Boys' State is an American Legion sponsored activity held each year around the week of June 9-16. While at Hoosier Boy's State, you participate in learning the practical politics and the governmental functions of the cities, state and federal levels of this country. Special speakers are scheduled throughout the week. Special classes such as speech, legislation, and law enforcement are also arranged for the delegates. Representatives from the Indiana State Police Department and the U.S. Militaries are also on hand. It is an honor to attend Hoosier Boys' State and to be able to better understand our government, both local and state.

During the week of June 17-24, Julie Armstrong attended Hoosier Girls' State. That week was a very unforgettable one for Julie. She studied the basic structure of the Indiana state government and the process of elections. She made a lot of new friends and the lesson she learned was that no one can survive in this world without friends.

BOOSTER BLOCK CHANGES TO PEP CLUB

The Booster Block has gone through many changes this year. Nancy Hudson took the responsibility of organizing the group this year and has made many changes. The Booster Block, as it has been called in past years, has changed its name to the Pep Club. They have no uniforms, or any number of games in which they have to be there. They are required, however to yell and scream to back the Blazers.

EXCHANGE STUDENTS

Torbjorn Andersson and Maria Menacho

Ronda Doll and Vivian Ortiz were sponsored by the Spanish Club as they visited Mexico in the summer months.

Dear Fellow Blazers:

This is a letter that I think I owe you all at Eastside. I want to thank you all for making my stay here in the United States the best year of my short, but intensive life.

When I first came here, everything was new and different compared to my Sweden. The school system was different, the language, the way of thinking and the rules. Every day I got to know people and make friends. I think that some of you guys are going to be my very dearest friends for the rest of my life, and I promise to come back some day and visit Butler, St. Joe, Spencerville and maybe even Newville.

My year has been a lot of fun. Events like the Washington trip, prom, graduation, Florida trip and "The Hole" top the list. I have learned a lot about people, life, and myself. I have changed totally as a person, I hope it is to the better. My way of valuing things is different. Now I understand to appreciate people and feelings and accept differences between individuals and countries.

Finally, I just want to thank you one more time and tell you that I think you are great and the U.S. is a country to be proud of. I hope that I haven't disappointed you too much and I hope you will treat your next student just as great as you did to me, and to you who are thinking about applying for a year in another country, I just want to say, do it! You will have a lot of fun and you are going to find yourself. Keep in touch!

Tobbe Andersson

Dear Eastside Students:

By the time you read this letter the Bolivian exchange student will be very far from Eastside. I want you to know how good I felt during the school year. It was more fun and friendship than I expected. I've never thought that I would have such a great experience at school.

Everybody is just great. Teachers are more friends than teachers. One of them who really helped me was Mr. Wagner, thanks Mr. Wagner, and thanks all the teachers.

To all the students, I don't have words to say thank you for being good friends and for making my experience wonderful.

The only thing left to say is take care and "Go Big Green".

and laughter to everyone.

Without him
Some things won't be the same
Because he had so many friends
And a lot of fame.

We will never forget
and always reminisce
All the good times we've had
That we'll always miss.

So many cried when he passed away
As it is always some day
But why this way?

A lot admired him
Oh, so well
And they cried so much
You could tell

God only knows what was on his mind
But like Lisa says he'll always be mine.

We won't forget him from this day on end.
God Bless Him.

Amen

Sister Sledge, Donna Summer, Michael Jackson, and The Village People, to name a few, were some of the disco stars that hit Eastside this year. Several clubs and organizations sponsored discos put on by Robert Pfiester, head of the choral department. Spectrum-Light and Sound, from DeKalb High School, was a guest at two of Eastside's discos. One of these was sponsored by the yearbook staff and the other by the gymnastics' team.

The Graduating Class
Eastside High School
603 E. Green St.
Butler, Indiana 46721

Dear Graduate:

You have spent many years and countless hours studying the basic laws of nature and science that govern our universe, and the laws of business, society and government which govern our human relationships so that you would be prepared to meet the challenges of life. Your success in meeting those challenges will largely be determined by how well you are able to function within the framework of these laws.

However, perhaps in your quest for knowledge and understanding you have ignored the most important laws of all--the eternal, unchangeable laws of God that not only govern the degree of happiness with which we will enjoy life, but will determine our eternal destiny. It is only as one understands and accepts these spiritual laws that the basic questions of life can be answered--WHO AM I?--WHAT IS MY PURPOSE IN LIFE?--and WHAT IS MY DESTINY? These laws are presented for your examination and consideration in the hope that you will find, as we have, the abundant and eternal life that is available in Jesus Christ.

Sincerely,

AMBASSADOR STEEL CORP.

Daryle L. Doden, President
Richard C. Ripberger, Vice President
Ryan L. Hoover, Secretary-Treasurer

TRUE HAPPINESS DEPENDS UPON A PERSONAL RELATIONSHIP WITH GOD.

LAW ONE: GOD LOVES YOU, AND OFFERS A WONDERFUL PLAN FOR YOUR LIFE.

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life.--John 3:16.

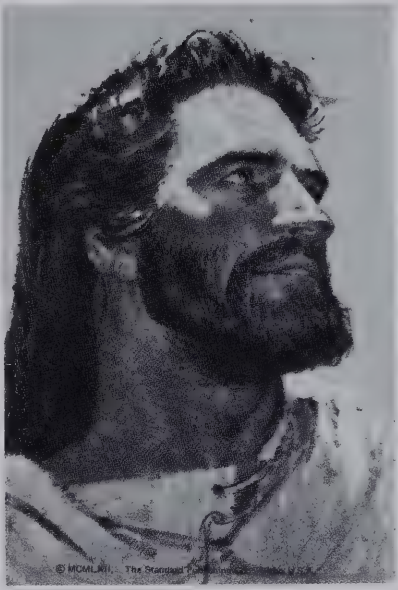
"I came that they might have life, and might have it abundantly."--John 10:10.

LAW TWO: MAN IS SINFUL AND SEPARATED FROM GOD.

"For all have sinned and fall short of the glory of God."--Romans 3:23.

"For the wages of sin is death."--Romans 6:23a.

LAW THREE: JESUS CHRIST IS GOD'S ONLY PROVISION FOR MAN'S SIN.



"Christ died for our sins. . . He was buried . . He was raised the third day, according to the Scriptures. . . . --I Corin. 15:3-6.

"Jesus said to him, 'I am the way, the truth, and the life; no one comes to the Father, but through Me.'"-- John 14:6.

LAW FOUR: WE MUST INDIVIDUALLY RECEIVE JESUS CHRIST AS SAVIOUR AND LORD.

We must receive Christ

"But as many as received Him, to them He gave the right to become the Children of God, even to those who believe in His name."--John 1:12.

We must receive Christ through Faith

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast." --Ephesians 2:8,9.

We must receive Christ by personal invitation

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him."--Revelation 3:20.

THE YEARBOOK STAFF OF 1980

Front Row: Babbie Herschberger, Teresa Surface, Sherri Brown, Coleen VanZile, Joel Surfus, Laura Holmes. Second Row: Jenny West, Susan Zeisloft, Tina Beard, Yvonne Miller, Deb Blair, Cindy Bissell. Third Row: Lori Keltner, Pam Winslow, Donna Kray, Cubby Houser, Kandy Kaser, Sharon Frakes. Back Row: Connie McConnell, Mrs. Janis Hood

Front Row: Teresa Surface — Ass't. Bus. Mgr., Joel Surfus — Ass't Editor, Coleen Van Zile — Editor, Pam Winslow. Back Row: Donna Kray — Photographer, Lori Keltner — Photographer, Sherri Brown — Bus. Mgr., Babbie Herschberger — Photographer.

This is the serious side of the yearbook staff of 1980. The deadlines, the captions, the copy and the selling of ads and yearbooks were all part of the sleepless (?) nights a few of the members experienced.

The top picture is of the entire staff and the side picture is dedicated to those people who put forth a little extra effort to get this book put together. Thanks also to Mr. Penix for all of his cooperation. In past years the copy has given thanks to everybody, (and I mean EVERYBODY) who has even set foot in that little room at the end of the vocational building. This year I've decided to be different. Those that worked very hard: Sherri, Teresa, Pam, Donna, Lori, Babbie, Joel, Mrs. Hood, and me, have gotten a personal satisfaction out of having put together a book that future generations will look at and say, "This is one terrific book!" This is our thanks, but I, personally, would like to thank each and every one of you hard workers. The next page is my dedication to all of those crazy days spent in third period.

THIS IS IT!

This is the third period that most of the yearbook staff remembers, including Mrs. Hood. Many times she would enter the room when we should have all been working; instead we were having what looked like a party, every day. I think Sutton's market got the best deal out of it by getting the business we drummed up by purchasing our "munchies" at that store. All in all, the year has been very successful, a lot of fun, and I hope the tradition continues next year. Don't forget about the work that has to be done, and Mrs. Hood will make it through another year.

Good luck!
Coleen Van Zile — editor
